This area is the balance of the
lead granted to a different applicant

cultivation, not required by the
department, soil erosion will not
be prevented by the area which is flat
and more over forest would get
revenue by leasing it. In view
of this and the strong recommenda-

the CEG may perhaps be accepted as
the lead is recommended for for a
landless person.

Sir,

Sub:-Request of Sri H.F. Giddappalavar of
Aremallapur village for grant of land measuring
4 acres and 27 guntas from F.S.No.308 of Airani.

I enclose a copy of letter No.22/51 (56-57)/
3243 of 59-60 dated 8-1-1960 from the Conservator
of Forests, Belgaum Circle, along with its enclosure
recommending grant of 4 acres 27 guntas from F.S.No.
308 of Airani in favour of the applicant for kind
perusal.

The percentage of forest area in Dharwar
District is 8.3% and as per Government order No.
AFD 24 FGL 59 dated 22-10-1959 it would not be
advisable to release forest lands in places where
its percentage is below 10%. In view of this the
request of the applicant has to be rejected. However
the applicant is reported to be a landless person.
The area is reported to contain no tree growth except
two Anjan trees and it was also under cultivation.
In the circumstances, I have no objection to grant
the area to the applicant as 'Inforest cultivation
Plot'. Orders of Government may kindly be issued
early.

The petition accompanies for reference and
return when done with.

Yours faithfully,

(K.KADAMBI)

Chief Conservator of Forests.

Subject:- Request of Shri H.F.Ciddappalavar of Aremallapur Village for grant of land measuring 4 acres and 27 gunthes from F.S.No.308 of Airani for cultivation.

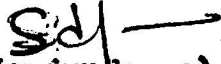

No.22/51(56-57)/3246 of 1959-60.
Belgaum, 8th January 1960.

Submitted to the Chief Conservator of Forests in Mysore, Bangalore.

2. Under the circumstances reported by the Divisional Forest Officer there is no objection to grant the area of 4 acres and 27 gunthes from F.S.No.308 of Airani for cultivation to the applicant as "Inforest cultivation plot". Orders of Government may kindly be obtained and communicated early.

3. The application accompanies.

SPJ.6.1.

Conservator of Forests, B.C.

Below application dated 1-6-1959 from Shri. Halappa Pakirappa Giddappalavar of Aremallapur village, Taluka Ranebennur.

~~Below No. 715 dated 16/12/58 from the Range Forest Officer, Hirebennur.~~

Subject: Request of Shri. Halappa Pakirappa Giddappalavar of Aremallapur village for grant of land measuring 4 Acres 27 Gunthas out of Forest Sy. No. 308 of Airani Village for cultivation.

No. G/11/1324 of 59/60.
Dharwar, 19-12-59.

Submitted to the Conservator of Forests, Belgaum Circle, Belgaum.

2. In this case Shri. Halappa Pakirappa Giddappalavar of Aremallapur has submitted an application dated 1-6-1959 requesting to grant him an area of 4 acres 27 Gunthas of land out of Forest Sy. No. 308 of Airani village for cultivation. (Kindly vide his application at page No. 1 and 2).

3. Forest Sy. No. 308 of Airani village, Taluka Ranebennur measures 19 Acres and 34 Gunthas. This Sy. No. was granted to one Shri. Battappa Bangareppa Doddattammanar of Aremallapur on 'Agri-Silvi' basis for cultivation, for a period of 5 years from 1-6-1951 to 31-5-1956. After expiry of the Agri-Silvi lease, the Sy. No. was recommended for grant on 'Inforest Settlement' system to the lessee for cultivation. But since the economical holding of the lessee was exceeding in case the whole Sy. No. 308 of Airani village measuring 19 Acres 34 Gunthas was granted to him, the Government in their No. ASD-90-DST-58 dated 22-12-1958 have ordered to grant him only 15 Acres 7 Gunthas of land (Since the lessee owns an area of 33 Gunthas) out of Forest Sy. No. 308 of Airani Village. The whole Sy. No. 308 of Airani village was under cultivation. Since 1951 to 1958, i.e. 8 years for the last 8 years. On receipt of the above Government order an area of 4 Acres 27 Gunthas has been withdrawn from cultivation which is laying fallow at present.

4. On enquiry with the R.F.O., Hirebennur, it is learnt that there are no trees on the area measuring 4 Acres 27 Gunthas applied for by the applicant except 2 Anjan trees. By granting this area, the forest boundary will be straight (Kindly vide copies of sketch attached) and there is no fear of soil erosion since the area is quite flat and fit for cultivation. The area is neither fit for afforestation nor for set nursery purposes and hence it will not be required by this Department from the Forest Conservancy point of view. The applicant is a landless person (Kindly vide certificate of the Village Officer, Aremallapur at page No. 12) and self cultivator. The villagers have not got any objection for granting this area to the applicant for cultivation and the grazing position of the village is also sound. If the area of 4 Acres 27 Gunthas applied for by the applicant is granted to the applicant this Department will get some revenue by the way of rent.

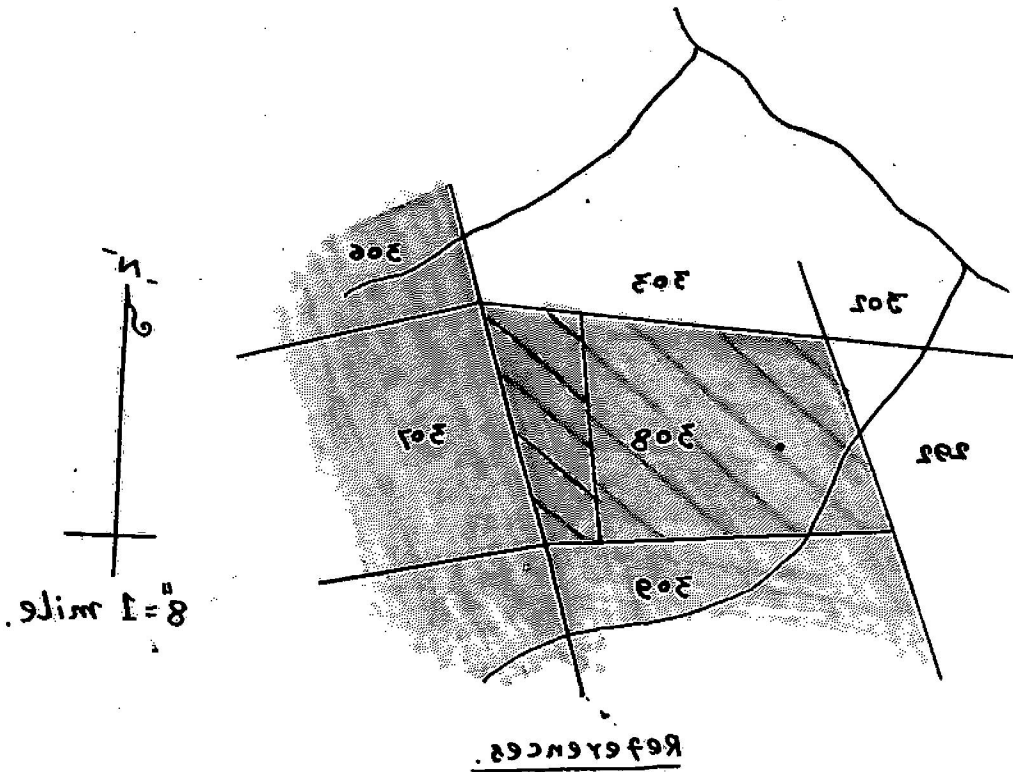

5. In the circumstances explained above, I strongly recommend that the area measuring 4 Acres 27 Gunthas out of Forest Sy. No. 308 of Airani village may kindly be granted to the applicant Shri. Halappa Pakirappa Giddappalavar of Aremallapur for cultivation on "Inforest Settlement Plot" in the first instance.

6. Hence Government may kindly be moved to issue orders as requested in para No.5 above at an early date.
